Spacia Parquet.

Introducing Spacia Parquet, an exciting addition to Amtico's new Spacia collection that means you can now create an elegant Parquet floor with Spacia.

We have carefully selected 12 Spacia Woods in two sizes to bring 24 Parquet variations to the collection. Versatile colour options span cool to dark, all selected to naturally complement and enhance the Parquet look.

The beauty of Parquet

Parquet has been popular throughout history as a way to add decorative interest to a room. It remains hugely popular today with a Parquet laying pattern being an elegant option in both traditional and modern spaces.

Spacia Parquet Emboss Options

Tick subtly mimics a natural wood that has a softly treated finish. All-over texture adds realism and smooth direction across each plank.

Barnwood is our rustic surface texture, enhancing each design's colour and pattern with a distressed and aged effect.
